WHAT CHANGES THE PRICE

- **Lineup size.** Every extra musician adds to the fee.
- **Length of booking.** Each extra hour adds $100 per player. Short feature sets are very welcome.
- **Roving or stage.** Roving is fully acoustic and needs no power or sound system. A simple vocal and keyboard PA is from $300, and larger set-ups are quoted to the room.
- **Location and travel.** Metro Adelaide is included. The Barossa, McLaren Vale, the Hills and other regional locations are quoted separately.
- **Date and time.** Friday and Saturday bookings finishing at or after 5pm, and bookings on public holidays, carry a 25% loading, as they are our busiest days for live music and rule out other work. Very early starts may also carry a loading.

HOW BOOKING WORKS
